NOTIFICATION OF PENDING LITIGATION

Pursuant to MPEP § 2001.06(c), Applicant brings to the attention of the Examiner the existence of a pending litigation. Although Applicant does not consider the information material to patentability of the claimed invention, in an overabundance of caution, Applicant informs the Examiner that L'Oreal's U.S. Patent No. 6,716,420 B2, which is commonly assigned to the owner of the present application and claims related subject matter, is the subject of a patent infringement action filed by L'Oreal S.A. and L'Oreal USA, Inc. against Estee Lauder Companies, Inc., Estee Lauder, Inc., and Origins Natural Resources, Inc. in the United States District Court for the District of New

Jersey. L'Oreal S.A. v. Estee Lauder Companies, Inc., Civ. No. 04-1660 (HAA) (D.N.J. filed Apr. 7, 2004). A copy of the complaint and answer filed in this litigation are attached for the Examiner's consideration.

Civil Action No.: 07-1660

**JURY TRIAL

COMPLAINT FOR PATENT INFRINGEMENT

L'Oréal S.A. and L'Oréal USA, Inc. (collectively "Plaintiffs"), for their Complaint against Estee Lauder Companies, Inc., Estee Lauder, Inc., and Origins Natural Resources, Inc. (collectively "Defendants"), allege as follows:

NATURE OF THE ACTION

1. This is a civil action for patent infringement of Plaintiffs' United States Patent No. 6,716,420 B2 ("the '420 patent") directed to methods for making and using mascaras.

THE PARTIES

2. Plaintiff L'Oréal S.A. is a corporation duly organized under the laws of France, with its principal place of business at 14, rue Royale, 75008 Paris, France.

3. Plaintiff L'Oréal USA, Inc. is a corporation duly organized under the laws of Delaware, having its corporate offices at 575 Fifth Avenue, New York, New York 10017 and having offices in Ridgewood and North Brunswick, New Jersey. L'Oréal USA is a wholly-owned subsidiary of L'Oréal S.A. and has wholly owned subsidiaries with manufacturing, research and development, and distribution facilities located in Clark, Franklin, Linden, Piscataway, Cranbury, Dayton, and North Brunswick, New Jersey.

4. Plaintiffs are engaged in the business of researching, developing, manufacturing, and selling cosmetic products, including mascaras, in New Jersey and elsewhere throughout the United States.

5. Upon information and belief, Defendant Estee Lauder Companies, Inc. is a Delaware corporation having its corporate offices and principal place of business at 767 5th Avenue, Suite 4200, New York, New York 10153.

6. Upon information and belief, Defendant Estee Lauder, Inc. is a Delaware corporation having its corporate offices and principal place of business at 767 5th Avenue, Suite 4200, New York, New York 10153. Upon information and belief, Estee Lauder, Inc. is a subsidiary of Estee Lauder Companies, Inc.

7. Upon information and belief, Defendant Origins Natural Resources, Inc. is a Delaware corporation having its corporate offices and principal place of business at 767 5th Avenue, Suite 4200, New York, New York 10153. Upon information and belief, Origins Natural Resources, Inc. is a subsidiary of Estee Lauder, Inc.

8. Upon information and belief, Defendants are engaged in the business of selling cosmetic products, including infringing mascaras, in New Jersey and elsewhere throughout the United States.

JURISDICTION AND VENUE

9. This civil action for patent infringement arises under the Patent Laws of the United States, Title 35, United States Code.

10. This Court has subject matter jurisdiction over this case pursuant to 28 U.S.C. §§ 1331 and 1338(a).

11. Upon information and belief, Defendants purposefully have conducted and continue to conduct business in this judicial district, have caused injury to Plaintiffs in this judicial district, and have committed and/or caused acts of infringement of the '420 patent in this judicial district.

12. This Court has personal jurisdiction over Defendants.

13. Venue is proper in this judicial district under 28 U.S.C. §§ 1391 and 1400(b).

FIRST COUNT FOR PATENT INFRINGEMENT

14. On April 6, 2004, the '420 patent, entitled "Methods of Use and of Making a Mascara Comprising at Least One Coloring Agent and at Least One Heteropolymer," was duly and legally issued to L'Oréal S.A. by the United States Patent and Trademark Office ("PTO"). A true and correct copy of the '420 patent is attached as Exhibit A.

15. Mohamed G. Kanji is the sole inventor of the claims of the '420 patent. In an Office Action dated August 11, 2003, issued during prosecution of the '420 patent, the PTO correctly deleted Sue Feng as a named inventor of the '420 patent. The PTO, however, erroneously failed to print that correction on the face of the '420 patent and incorrectly recited Sue Feng as a co-inventor.

16. Since the issuance of the '420 patent, L'Oréal S.A. has been and still is the owner of the '420 patent. L'Oréal USA is the exclusive licensee under the '420 patent.

17. The '420 patent discloses and claims methods of making and using certain mascara compositions that contain various ingredients.

18. Upon information and belief, subsequent to the issuance of the '420 patent, Defendants have made, used, offered to sell, sold, and/or imported mascara products in the United States, including mascaras marketed under the trade names "Pure Drama MagnaScopic Maximum Volume Mascara" and "Full Story Lush-lash Mascara" (collectively "the Accused Products").

19. Upon information and belief, the labeling of the Accused Products indicates that the products contain each of the ingredients specified by the claims of the '420 patent. True and correct copies of the ingredient labeling of representative samples of the Accused Products are attached as Exhibits B and C.

20. Upon information and belief, Defendants have been and still are directly infringing at least one claim of the '420 patent under 35 U.S.C. § 271(a) and/or 35 U.S.C. § 271(g) by making the Accused Products in the United States and/or importing those products into the United States in violation of Plaintiffs' patent rights and will continue to do so unless enjoined by this Court.

SECOND COUNT FOR PATENT INFRINGEMENT

21. Plaintiffs incorporate by reference paragraphs 1-20 of this Complaint as if fully set forth herein.

22. Upon information and belief, consumers and others who purchase the Accused Products use them in a manner that directly infringes at least one claim of the '420 patent.

23. Upon information and belief, Defendants know or should know that their steps in actively advertising, marketing, packaging, offering for sale, selling, and/or distributing the

Accused Products cause, urge, encourage, and/or aid consumers and others to directly infringe at least one claim of the '420 patent. Defendants therefore have been and still are actively inducing infringement of the '420 patent under 35 U.S.C. § 271(b) and will continue to do so unless enjoined by this Court.

24. Upon information and belief, Defendants have been and still are offering for sale and selling within the United States, and/or importing into the United States, the Accused Products, which constitute a material for use in practicing the process of at least one claim of the '420 patent. The Accused Products further constitute a material part of the invention of the '420 patent and are not staple articles or commodities of commerce suitable for substantial noninfringing use. Upon information and belief, Defendants know that the Accused Products were especially made or especially adapted for use in an infringement of the '420 patent. Defendants therefore have been and still are contributorily infringing the '420 patent under 35 U.S.C. § 271(c) and will continue to do so unless enjoined by this Court.

DAMAGES AND OTHER HARM SUFFERED BY PLAINTIFFS

25. Plaintiffs have been damaged in an amount not yet determined as a consequence of the infringing activities complained of herein and will continue to be damaged until this Court permanently enjoins Defendants from further infringement of the '420 patent.

26. Plaintiffs have been irreparably harmed as a consequence of the infringing activities complained of herein and will continue to be irreparably harmed until this Court permanently enjoins Defendants from further infringement of the '420 patent.

PRAYER FOR RELIEF

WHEREFORE, Plaintiffs respectfully request that this Court enter a judgment:

- (1) finding Defendants liable to Plaintiffs for infringement of the '420 patent;

(2) permanently enjoining Defendants, their officers, agents, servants, employees, and attorneys, and those other persons or entities in active concert or participation with them, from infringing any claim of the '420 patent under 35 U.S.C. § 271(a) and/or 35 U.S.C. § 271(g);

(3) permanently enjoining Defendants, their officers, agents, servants, employees, and attorneys, and those other persons or entities in active concert or participation with them, from actively inducing infringement of any claim of the '420 patent under 35 U.S.C. § 271(b);

(4) permanently enjoining Defendants, their officers, agents, servants, employees, and attorneys, and those other persons or entities in active concert or participation with them, from contributing to infringement of any claim of the '420 patent under 35 U.S.C. § 271(c);

(5) correcting the recitation of inventorship of the '420 patent pursuant to 35 U.S.C. § 256 to name Mohamed G. Kanji as the sole inventor;

(6) awarding Plaintiffs damages adequate to compensate them for Defendants' infringement of the '420 patent, together with prejudgment interest thereon; and

(7) awarding Plaintiffs their reasonable attorney fees pursuant to 35 U.S.C. § 285, costs of suit, and such further and additional relief as this Court deems just and proper.

JURY DEMAND

Plaintiffs demand a jury trial on all issues triable to a jury in this matter.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS-44

Authority for Civil Cover Sheet

The JS-44 cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I. (a) Plaintiffs - Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within government agency, identify first the agency and then the official giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing (NOTE: In land condemnation cases the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter firm name, address, telephone number, and attorney or record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.C.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction is based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an X in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; federal question actions take precedence over diversity cases.)

III. Residence (citizenship) of Principal Parties. This section of the JS-44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause.
